Spring Mill Country Club Golf Outing

When you arrive at Spring Mill Country Club, bag drop attendants will load your golf bags onto your cart, supply you with your pairings, which includes information sheets and direct you to our locker rooms where attendants will be happy to polish your shoes, while you are changing.

All members of your group will go to their carts, fifteen (15) minutes, prior to your shotgun starts and at that time you and your guests will be briefed about our club tournament rules.

The sounding of a horn will signal the start of play, once all groups are at their starting holes. Our rangers will then assist you in any way they can to keep the pace of play moving at a comfortable level. These gentlemen are on the course to assist and direct you. They will help you locate golf balls and answer any questions you have regarding rules and/or etiquette. In addition, our rangers are instructed to encourage outings to finish on time and then proceed to the clubhouse in less than five hours.

Once your scorecards are turned in to the golf professionals at the scoreboard, you are free to enjoy a shower and to meet your fellow golfers for your banquet luncheon and award presentation.

We will be happy to design a custom package to suit your needs. Any alterations of this package may be discussed with Jackie Kappel, Banquet Sales Manager or Ed Rubin, General Manager.
